Congratulations, **Gary Gardner!** Gary's "**Emma**" has earned her Master title. Emma also now has (at least) two master-titled offspring, John Mathews's "**Pepper**" and...

Steve Ross's Feels Good Black as Cole MH. Congratulations, Steve and Cole.

Don Smith reports that **Meglyn's Blue Ridge Belle JH** has finished her HRC UKC Hunting Retriever title with four straight Seasoned passes, the final pass on October 16 at Southern Illinois HRC. Yeah, Belle and Don!

Bev and Jerry Burns's "Phoenix" (Burns' Golden Phoenix MH) won the Open at the Golden Retriever National Specialty in Gettysburg PA last week; a rather large and impressive trophy dating back to 1940 will be with the Burns for a year in honor of this large and impressive accomplishment.

Bev and Jerry Burns's Little Bit of Gold Dust "Pixie" made the 2005 Derby List!

Singles Championship is Upon Us!

Just singles—longer and longer—and every dog gets to play all day. Any dog can enter, and any dog can win Top Dog for the OVRC and take home the trophy for the year.

The club will provide various meats—steaks, hot dogs, etc. Please bring a side dish, chips, dips, cookies, or beverages to share if you can.

Woodbury is beautiful this time of year, and the company—both human and canine—promises to be excellent.

Woodbury Wildlife Area, Coshocton, 8:30 am. Be there.
